

# NUTRILONG® X-Plus Combi Pack

Double Support for Male Vitality & Strength

## Introduction

In India, erectile dysfunction strikes 1 in 10 men, with up to 64% prevalence among those aged 18-50 and 40% of cases hitting under-40s

Modern ED meds like PDE5 inhibitors trigger headaches, flushing and vision issues in 40% of users

Overall Male Infertility is also increasing

“Don't settle for quick fixes - solve the root cause for real results.”

## Why NutriLong X-Plus Combi Pack?

Modern lifestyles and growing age can affect energy, recovery, stress balance and male wellness.

Nutrilong X-Plus Combi Pack combines two science-backed tablets with traditional ayurvedic vitality support.

X-Plus Revival and X-Plus Booster - for men who want to stay active, confident and energized every day.

Each ingredient is selected based on clinical data and traditional efficacy, offering a dual-pathway solution for male wellness.
